Freelance (2023-Present)

- **Video Editor**
Edits video content for various clients, ensuring alignment with creative vision and technical precision to maximize emotional impact and viewer engagement.
- **Production Sound Mixer**
Captures high-quality on-location sound while working with other crew to adapt to diverse settings and maintain clear, balanced audio.
- **Sound Designer**
Designs and mixes immersive soundscapes to enrich narrative impact, tailoring elements to enhance story mood and atmosphere.

ITV America (2022-2024)

- **Post Production Assistant |**
Oct 2022-Feb 2024, June 2024-Aug 2024
Leveraged cutting-edge transcription technology and cataloged raw footage for major shows like Forged in Fire and Final Moments, organized media in Avid for streamlined workflows, and supported story producers with stringouts and storylines for Alone (Seasons 10-12).
- **Office Production Assistant | April 2024-June 2024**
Coordinated production logistics and cross-departmental support for A&E's The First 48 and After the First 48, managing production credit reconciliations, shipments, travel bookings, calendar updates, and weekly agendas in a fast-paced environment.

Ragnarok NYC (2020-2022)

- **Post Production Intern/Assistant | Oct 2020-July 2022**
Started as an intern in October 2020 and promoted to assistant by January 2021; collaborated with internal marketing to produce high-quality graphic, social, and video content for clients and maintained organized video databases.

NYU Production Center (2018-2020)

- **Technicians' Assistant | Jan 2018-March 2020**
Assisted technicians with student equipment rentals, ensuring gear condition before and after rentals. Helped schedule mandatory equipment techs, and maintained the rental area by cleaning, organizing, and managing stock for optimal readiness and accessibility.
